PROFILE

Dynamic and results-oriented professional with a proven track record in entrepreneurship and business development, now transitioning to a career in web development. After successfully selling a thriving company, I've harnessed my passion for technology and problem-solving to pursue a career in web development. Proficient in HTML, CSS, JavaScript, and modern frameworks. I bring a unique blend of business expertise and technical skills. I pride myself on being versatile, well-rounded, committed to continuous learning, and collaborating with a team. I am eager to leverage my experience to create impactful web solutions and am excited to contribute to a forward-thinking organization.
